Scan the Set Connection Barcode

Plug in the Bluetooth adapter that came with the scanner

Once Windows installs the Bluetooth drivers you should see a Bluetooth icon in your System Tray. Double click on the icon and the image below should appear:

8 Bluetooth Devices	x
Devices Options COM Ports Hardware	
Add <u>R</u> emove <u>Properties</u>	
OK Cancel Appl	y

Click the options tab. Place check marks in ALL boxes as shown below. Then click apply and ok

8 Bluetooth Devices
Devices Options COM Ports Hardware
Discovery ☑ Allow Bluetooth devices to find this computer
To protect your privacy, select this check box only when you want a Bluetooth device to find this computer.
Connections ☑ Allow Bluetooth devices to <u>c</u> onnect to this computer
\blacksquare Alert me when a new Bluetooth device $\underline{w} ants$ to connect
\blacksquare Show the Bluetooth icon in the <u>n</u> otification area
Change settings for a Bluetooth enabled device.
<u>R</u> estore Defaults
OK Cancel Apply

Click on the Add button. The screen below will display.

Click the devices tab. Click the add button as shown below:

🚯 Blueto	oth Devic	es				×
Devices	Options	COM Ports	Hardware			
	•	Remove	1		Properties	
	····	<u>H</u> emove			Topenes	
		ОК		Cancel	Арр	ly

Place a check mark in the box that says My Device is set up and ready to be found. Click Next

Press and hold the trigger until the device populates:

Right click on the Wasp_HID (V1.11)/6D:CC:00) Choose Properties. Chose the tab that shows services. Place a check in Drivers for Keyboard, Mice, etc (HID) Then click apply.

8 WASP_HID (V1.11)/(6d:cc:00) Properties
General Services
This Bluetooth device offers the following services. To use a service, select the check box.
Drivers for keyboard, mice, etc (HID)
OK Cancel Apply

Then press OK. The Bluetooth drivers should load successfully.

Your screen now should show already connected as below:

🚷 Ad	d Bluetooth Device Wizard	X
Sel	ect the Bluetooth device that you want to add.	*
	INF85 WASP_HID (V1.11)/(6d:cc:00) New device Already connected 00:0f:b3f7:22:c0 New device	
0	If you don't see the device that you want to add, make sure that it is turned on. Follow the setup instructions that came with the device, and then click Search Again.	ain

Click the Cancel Button Then ok button to exit. Your screen should now show as below;
